

## Delta Vision Water Supply and Reliability Working Group

Figure to Accompany Progress Report  
To the Delta Vision Blue Ribbon Task Force, Feb 28, 2008

**Figure 11. Strategies to Reduce Demand for or Increase Supply of Water**

### Representative Performance Measures discussed

Topic Area	Performance Measure
Water delivery reliability	Percent of contracted supply delivered
Water supply reliability	Gap between demand and delivered supply
Water quality	Concentration of key contaminants
Regional self-sufficiency	Acre-feet of imported water per capita
Efficiency	Per capita water use; economic output per acre-foot
Administrative	Number of BMPs implemented
